

APPLICATION TO REPLACE AN EXISTING WELL STATE OF UTAH

Pursuant to Section 73-3-28 Utah Code Annotated 1953, as amended, application is hereby made to the State Engineer to replace an existing well based on the following showing of facts.

1. Water Right No.: E1273 Appl./Claim #: _____
Point of Diversion: S 2800 ft W 1200 ft from NE cor, Sec 01, T 7N, R 1E SL
2. Owner: Powder Mountain Water and Sewer Imp. District,
Address: P. O. Box 270
Eden UT 84310
3. The new well will be 80 ft. north / ~~south~~ and 55 ft. east / ~~west~~ of the existing well,
and will be 6-8 inches in diameter and 300-700 feet deep.
4. The Utah licensed well driller who will perform the work is: Name: _____
5. Explanatory: The District's existing Cobabe Well has been degrading and a new well is need to assure an adequate water supply for District residents. This POD is also authorized under E4803 and so a copy of this application to replace the well must be placed on that file.

The applicant hereby agrees, if this application is approved, to abide by the rules and regulations promulgated by the State Engineer regarding the renovation of existing wells, including the abandonment of the existing well once the replacement well has been constructed. The applicant further agrees to and hereby authorizes the State Engineer to endorse his original claim or application to show any change resulting from this application.
